

## Submersible pump Aquadive KTP 300 with float switch, 10m

## **Article information**

Item no.: 28840 GTIN: 4026092000939 Price group: 20

## **Advantages**

- Multi-vane vortex impeller for maximum reliability
- Longitudinally watertight potted connection cable
- Integrated shallow extraction

## Description

KTP 300 submersible pump with float switch, with non-return flap, pivoted connection, removable intake cage; the water level can be lowered to 8 mm.
