

## Grease separator EasyClean free Basic, NS 10, Std, left, Refill inlet

## **Article information**

Item no.: 94010.12L GTIN: 4026092083802 Price group: 60

## **Advantages**

• Low-maintenance operation

## Description

The separator for greasy wastewater is suitable for free-standing set-up in frostprotected rooms and comes without metallic components in the tank. The collecting tank made of permanently resistant polymer (PE) is equipped with an integrated sludge trap. Two odour-tight covers with quick-release closures allow for easy access for cleaning and maintenance work. Manual disposal is carried out with the tank open. 20 year polyethylene warranty.

Variant Direction of flow: Disposal variant: Inspection window: Nominal size (NS): Refill inlet in accordance with DIN 1988: Type of disposal: Sampling device: Load-bearing capacity (DIN 19901):	left Standard no 10 yes manual with suction hose no F3
General characteristics Material: Installation situation: Delivery state:	PE free-standing installation Installation-ready (connection parts must be connected on site)
Dimensions Net weight: Gross weight: Set-up area, length: Set-up area, width: Set-up area, height: Required access area, length: Required access area, width: Required access area, height: Packaging dimension:	169,5 kg 204,5 kg 2610 mm 1035 mm 1670 mm 2610 mm 920 mm 1670 mm length

Packaging dimension: Packaging dimension:

Tank/drain body Nominal pressure (PN): Pressure pipe connection (DN): Pressure pipe connection (OD): Distance pipe bottom outlet to tank bottom: Distance pipe bottom inlet to tank bottom: Outlet nominal size (OD): Outlet nominal size (DN): Inlet nominal size (DD): Inlet nominal size (DN): Connection inlet/outlet sockets:
